

A Bylaw of Birch Hills County, in the Province of Alberta for the purpose of adopting a revised Schedule of Fees, Rates and Charges.

WHEREAS: The Municipal Government Act, R.S.A. 2000, c. M-26 (hereinafter referred to as "the Act") and amendments thereto, provides that Council may pass bylaws to establish fees on behalf of the municipality; and;

WHEREAS: The Act provides for the establishment of fees for licenses, permits and approvals by bylaw; and

WHEREAS: The Act provides for the provision of municipal utility services subject to the terms, costs or charges established by Council; and

WHEREAS: The Act provides that certain information may be released upon payment of a reasonable fee established by Bylaw, and Council deems it appropriate to charge a reasonable fee for the release of certain information;

NOW THEREFORE, the Council of Birch Hills County, in the Province of Alberta, duly assembled hereby enacts as follows:

1. TITLE

- a. That this Bylaw shall be known as the Birch Hills County "Fees Bylaw"

2. DEFINITIONS

- b. That definitions, for the purpose of this bylaw, include:
 - a) "*Act*" means the *Municipal Government Act*, Revised Statutes of Alberta 2000, Chapter M-26 and amendments.
 - b) "*Arable*" shall mean capable of producing crops; suitable for farming; suited to the plow and for tillage.
 - c) "*Chief Administrative Officer*" or "*CAO*" means the person appointed to the position of Chief Administrative Officer by Council.
 - d) "*Council*" means the Council of Birch Hills County.
 - e) "*The County*" means "Birch Hills County".
 - f) "*Drilling Rig*" shall mean the machine used to drill a wellbore. In onshore operations, the rig includes virtually everything except living quarters. Major components of the rig include mud tanks, mud pumps, derrick or mast, drawworks, rotary table or topdrive, drillstring, power generation equipment and auxiliary equipment.
 - g) "*Goods and Services Tax*" or "*GST*" is the tax that is paid on most goods and services sold or provided in Canada and that Municipalities, as a GST/HST registrant, are required to and are responsible for charging and collecting.

- h) "Service Rig" shall mean a piece of apparatus that can be driven long spans within the well sites for servicing and maintenance purposes. Usage of service rigs becomes extremely important in productive wells when it comes to ensuing periodic maintenance. Apart from cleaning a well or replacing its components, a service rig is also required when a well shuts down.
 - i) "Taxable Supplies" are goods and services that are made in the course of a commercial activity and are subject to the GST/HST (including zero-rated supplies).
1. That the fees, rates, and charges for Municipal licenses, permits, goods, and services are hereby established as identified in Schedule "A" which is attached to, and forming of, this Bylaw, and any applicable taxes shall be added to those rates at the point of sale.
 2. That all previous fees, rates, and charges for goods and services as delivered to the Community and NOT noted in this Bylaw, shall be deemed not changed or adjusted by Council and shall remain intact for those goods and services as delivered to the Community.
 3. That the method of payment for fees, rates, or charges to be at the discretion of Birch Hills County.
 4. That if any provision of this Bylaw is deemed invalid, then such provision shall be severed and the remaining Bylaw shall be maintained.
 5. That this Bylaw shall have force and take effect on May 1, 2018, and Bylaw 2017-05 shall remain in effect and use until May 1, 2018, at which time it shall be rescinded.
