## AG SOCIETY

The Eaglesham Ag Society will not be holding a meeting in September. Their next meeting will be held in October. Everyone will be welcome to attend.

## EAGLESHAM LAKESIDE GOLF AND COUNTRY CLUB

Like most businesses, the Golf Course faced a lot of challenges in its 2020 season. However, with new safety protocols and some alterations to procedures, it was able to open to the public in June. The nature of the sport and the size of the facility enabled it to continue to operate. All tournaments, as well as Junior golf were cancelled, but the Men's, Ladies' and Couple's leagues were able to run. The campground was very popular and saw many new people as well as locals filling it on the weekends. Overall there was a slight increase in traffic as golfing was one of the sporting activities allowed this summer. Many people "discovered" the beauty of Lakeside Golf Course for the first time. The greens keeping crew used the opportunity of no tournaments to make many improvements on the course. The large deck allowed people to enjoy the restaurant served by the wonderful kitchen staff.

The course and clubhouse will remain open until at least the end of September, so there is still time to enjoy a meal or a round of golf before winter sets in. Phone 359-2520 for more information.
