HUGE THANKS FOR ANNUAL FLOWERS

The flowers in the oak barrels in our hamlet are so cheerful, they brightened my day each time I saw them. Thanks to the following citizens and groups who watered the flowers all summer long: Doris and Jules Boivin, Joanne and Brian Martin, Anne Larson, Margaret Mesher, Post office staff and Eaglesham Senior Centre.

TANGENT SOCIAL CENTRE

The club is open – coffee time is held Thursdays from 1:00 - 4:00 pm. Memberships for year end of Feb 28, 2022 are only \$10/adult, reduced due to COVID. Susan is organizing a wooden clock workshop which will be held in October. This workshop will be held at Riverside Ranch and Décor and will be instructed by Roxanne. Anyone interested please contact Deb ASAP as there is a limited amount of space. Additional workshops are being considered, including using old window frames, and a winter décor item. If you have any suggestions please contact Deb. The Twinkle Star Project continues so any extra yarn can be donated to the club for these meaningful baskets – they greatly need white, light grey, and baby blue. HEALTH SPOTLIGHT

Did you know that the chemical process in our bodies to burn fat requires extra water? Did you know that to build muscle we need extra water? Did you know that our fascia needs extra water to stay flexible? If you are drinking 2 - 3 litres, 8 to 12 cups everyday, you have the water needed to lose weight, build muscle and stay flexible. Have a drink!

Have a Happy Day!
