

***BIRCH HILLS COUNTY
POLICY & PROCEDURES MANUAL
LANDFILL***

POLICY TITLE: LANDFILL/TRANSFER STATION COLD WEATHER POLICY

Page 1 of 1

Date Adopted by Council / Motion Number:
Sept 11/11 46-09 (11-11)

POLICY STATEMENT:

Birch Hills County will implement a cold weather policy for all Landfills and Transfer Stations operated by the County when the temperature is -35 or below.

PROCEDURES:

1. When the temperature is -35 or below, Landfills and/or Transfer Stations will be closed.
2. Closure of the Landfill and/or Transfer Station will be determined by coordination between the Landfill Attendance and the Public Works Manager or his representative on each operating day in which the temperature is -35 or below.
3. In the event the temperature is -35 or below, a decision will be made by 10:00 a.m. to keep the sites closed for that day and office staff will be notified. The office staff will post the closure on the website and a closed sign will be placed at the respective Landfill and/or Transfer Station.
