NOTICE OF WATER OUTAGE

Attention Residents/Business Owner(s):

We would like to notify you of two planned water outages.

Monday May 13th from 11:00am to 4:00pm
Tuesday May 14th from 11:00am to 4:00pm

Who will experience an outage?

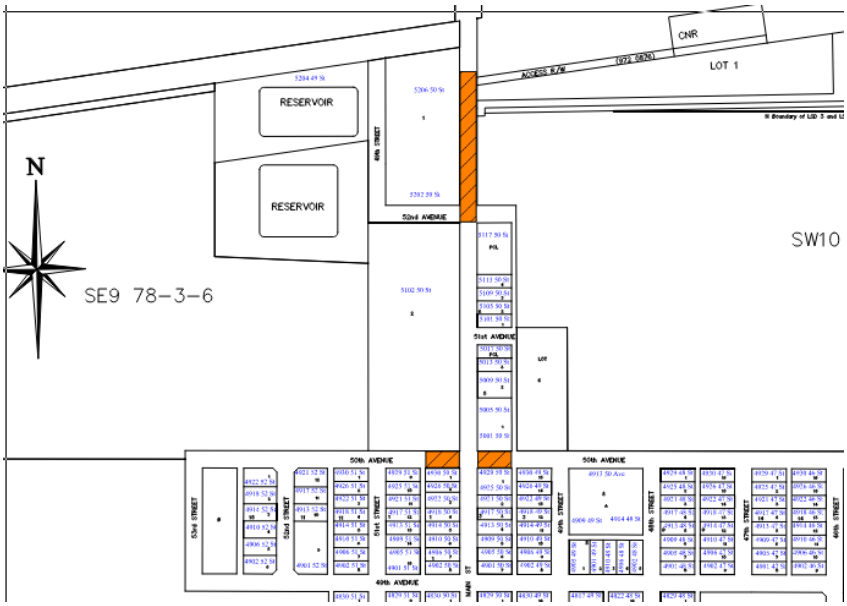
All properties connected to the water supply system south of the Firehall.

What is the purpose of the outages?

The purpose of the outages, is to tie into the existing watermains on 50th avenue and prepare for temporary water supply to minimize future impacts during construction.

Where is the location of this construction?

The areas of road closure for construction are highlighted on the map below.



We thank you for your understanding and cooperation during this construction project. If you require further information, please do not hesitate to contact,
Mainline Construction Operations Manager, Corbin Miller at 780-532-8545
